Postage and Handling 11.00*

Prices marked * include GST. All other software is GST exempt.

TOTAL \$

65% discount on upgrades from earlier versions - please contact us. *Discounts apply for multiple Pro licences*

Professional version features:

- ▶ **Automatic Progress tracking** for all your patients
- ▶ **Extra skill levels.**
- ▶ **Additional features** which vary by program (see catalogue) e.g. *Sights 'n Sounds* lets you add your own exercises. *Aphasia Tutor 1+* and *2+* have extra features for memory and auditory comprehension by hiding the visual cue, etc. 'Speech Sounds on Cue' includes 300 printable exercise sheets for apraxia treatment.
- ▶ **2 PC site-licence**
- ▶ Runs from a "non-administrator" or "limited user" account required by most hospitals.

Deluxe version features:

- ▶ Same features as Pro programs but data kept for only one user and licensed for 1 PC only.
